## EDUCATION

### **University of Wisconsin-Madison, Madison, WI— Economics – BA**

September 2016 - July 2021

Completed comprehensive study in economics.

### **UCB Full-Stack Coding Bootcamp**

June 2022 - September 7th, 2022

Full-stack web development bootcamp through University of California-Berkeley. I am in the full-time bootcamp, which is the same content as the six month bootcamp, condensed into 3 months.

### **Google Data Analytics Professional Certificate**

August 2021 - December 2021

Successfully completed data analytics certificate created by Google offered through Coursera. Learned SQL, R, spreadsheets, Tableau, and every step of the data analysis process. My certificate is on my LinkedIn which is linked under my name at the top of the page.

## BIO

I graduated from university in 2021 from the University of Wisconsin-Madison. I was originally a comp sci major, switched majors, but always felt passionate about programming and learned bit by bit on my own time. This year I decided to fully pursue this career, so I am currently taking a full stack coding bootcamp through UC-Berkeley, from which I will graduate on September 7th 2022. Since graduating from University, I also completed the Google Data Analytics Professional Certificate.

## SKILLS

Javascript, HTML/CSS,  
Node.js, JSON, JQuery,  
React, express  
mySQL/noSQL(mongodb),  
git workflow, web/3rd  
party/server-side APIs,
