Education

Full-Stack Coding Bootcamp Certificate, UC - Berkeley

June 2022 - September 2022

Full-stack web development bootcamp through University of California-Berkeley. Intensive three month program (full-time program), which is the same content as the six month bootcamp, condensed into 3 months. Focus on real technical experience creating web applications with skills like HTML5, CSS3, Javascript, Node.js, ReactJS, Express, MongoDB, MySQL, and more.

University of Wisconsin-Madison, *Economics - BA*

September 2016 - July 2021

Completed comprehensive study in economics.

Google Data Analytics Professional Certificate

August 2021 - December 2021

Successfully completed data analytics certificate created by Google offered through Coursera. Learned SQL, R, spreadsheets, Tableau, and every step of the data analysis process. My certificate is on my LinkedIn which is linked under my name at the top of the page.

Skills

Javascript, HTML/CSS, Node.js, React, MySQL, JSON, express, jQuery, MongoDB, git workflow, web/3rd party/server-side APIs, RESTful APIs, ORMs/ORDs, TDD, OOP,GraphQL, JWT, R, Excel, Tableau

Soft skills

Strong communicator, fast learner, good attitude, passionate problem solver, dedicated work ethic.
